Testimonials

«The renovation of 144 Champs Elysées was quickly accomplished using the Cover Styl adhesive system, transforming the old decoration into the new Brioche Dorée concept with the help of the magical film that covered moldings, frames, partitions, and panels. The works between 10 PM and 6 AM did not disrupt the business activity, enabling an efficient and cost-effective transformation for the commercial and restaurant establishment.»

- Hubert MOURCELY, Renovation Manager Brioche Dorée

«The Kirchberg offices were rapidly renovated at a lower cost, thanks to the Cover Styl adhesive coverings. In just 5 days, 532 m² of partitions and doors were covered with films mimicking natural oak (reference I9), resulting in a realistic outcome! This transformation modernized the offices without disrupting the company's operations. We wholeheartedly recommend this product.»

- Sébastien JUNGEN, Associate Bamolux

Environment.

We prioritize your health and the environment. Our clean manufacturing process produces low levels of **CO2**. Additionally, installing our film minimizes the waste generally produced by traditional renovation methods by allowing you to give a new life to existing structures. This minimizes the volume of **waste** sent to **landfills**, contributing to a more **sustainable** approach to renovation, and reducing carbon footprint.
